FROM THE PRESIDENT:

Dear NUTS

The Token and Coin Show last month was very successful. This was due to the many members who volunteered their time and talents. It was especially great to have such good support at the setup meeting. I would like to thank everyone who helped out.

This month's meeting will feature Darrin Smith, an expert on the city of Logan and its history. He will be speaking and giving a slide show. Darrin is also interested in seeing any items or tokens relating to Logan that you may have. This should prove to be a very interesting meeting, and I hope everyone will attend.

Just a reminder, this is your club and the officers are always looking for suggestions and ideas to improve NUTS. So if there is anything you want to do or try, let one of us know.

Sincerely

Bill Brown
